11月3日(星期五) FRIDAY,NOVEMBER 03

国际日

INTERNATIONAL DAY

11月4日(星期六) SATURDAY,NOVEMBER 04

作为一所中西合璧的国际化大学,郑州大学西亚斯国际学院历来重视对学生的人文教育,鼓励学生参与感受东西方文化的融合,提升学生的综合素质和创新精神。我校长期致力于建立与世界各地高校的学术交流与合作,旨在将国际教育价值和教育理念带到中国,从而建立起一座中外相互了解的桥梁。由于秉承独特的教育模式,西亚斯国际学院已经成为河南省响亮的教育品牌,成为国内发展速度最快的高校之一。

一年一度的国际文化节是我校传统的校园文化活动之一,自建校以来已经成功举办了十八届,堪称校园文化第二课堂。本届国际文化节自10月30日开始,持续至11月4日,在延续以往传统活动的基础上,将继续推出新的特色活动,向各界来宾展示西亚斯独特的校园文化,促进我校的国际文化交流事业。

国际文化节是我们通向世界的窗口,也是全世界精彩文化的缩影,它能使我们充分感受到外面世界的精彩。希望您能够可以在本届活动中有所收获,有所感悟,希望使您品尝到这道精彩的文化大餐。

As a Sino-American joint venture institution of higher education, Sias International University aims to blend science with humanity, to combine Eastern and Western cultures, and to provide quality standards of teaching and social practice. Sias has taken on the task of improving students' comprehensive ability and fostering an innovative spirit. Sias International University also actively engages in educational exchange and cooperation with other global institutions of higher learning to extend international educational values and concepts to China. By doing so, we are building the bridge of understanding between China and the world. Because of its unique educational model, Sias is recognized as one of the fastest growing institutions of higher education in China.

The annual event plays an active role in creating lively and enthusiastic extracurricular activities at Sias. Each year Culture Week has a positive effect in improving students' comprehensive ability regarding communication between cultures across the world while also demonstrating Sias' own unique culture. The 19th Sias International Culture Week will be held during the week of Oct.30th -- Nov. 4th.

Effectively communicating with people who have different values and beliefs is one of the most significant skills in the world today. When communicating with people from different cultures, it's easy to make inaccurate judgments based on our own values. This leads to an inability to communicate cross-culturally, and hinders one's ability to advance into the global world. Sias International Culture Week is designed to equip our students with these kinds of skills in life.

This unique weeklong festival is a window to the world through which one can see and appreciate both home and foreign cultures. We sincerely hope that the International Culture Week this year not only enriches our understanding and acknowledgement of modern cultures and concepts but also introduces us to a luxurious feast of multi-cultural experience which we will all enjoy.

序言 Preface

郑州大学西亚斯国际学院 校长 President, Sias International University

1 th Broom

Topic: Point of Interest, Point of View:

Forming Fresh Perspectives through Experiencing Diverse Destinations

Speaker: Nathan Groff

Lecture Summary:

Take a journey together to experience some unique natural environments around the world. We will discuss how these experiences can change our lives, and we will also look at how to travel to these places. Some places we will look at are: Jordan, Mongolia, Canada, Switzerland, Brunei and maybe more. From the steppes to the mountains, from the dry deserts to the Dead Sea, the world can teach us about who we are and what we should become.

Bio:Nathan has been in China since 2003 and is married to a wonderful Chinese woman. Presently he teaches Investments, Reading and Public Speaking at Sias. He holds a Master degree in Education. Nathan has travelled extensively throughout Asia, Europe and North America having visited around thirty different nations.

主办单位: 外籍专家管理服务处

时间: 11月2日 15:00-16:00 地点: 7-303

Topic: Civilizations of Ancient Mexico/Central America

Speaker: Gary Todd

Lecture Summary:

Mexico had a great civilization at the same time the Shang ruled in China. This is an overview of the ancient civilizations of Mexico and Central America beginning with the Olmec, the Teotihuacan & El Tajin Cultures, the Maya, and the Mexica (Aztecs). Illustrated with photos taken by the author at numerous archaeological sites, as well as photos of museum artifacts. These cultures had a written language almost as early as the Chinese, and were building pyramids and temples more than 2000 years ago, thousands of which are still standing or lie buried in the jungles.

Bio:Gary Lee Todd has a Ph.D. in American and Chinese History from the University of Illinois at Urbana-Champaign. He is currently professor of History at Sias University and CEO of WorldHistoryPics.com, an historical photo database containing some 150,000 photos taken by the author at world historic sites and great museums around the world. All photos are freely available for any sort of educational purpose.
